The mission of Saint Lucy Parish is to lead people to a transformative relationship with Jesus Christ and the Catholic Church. We live our faith by welcoming and serving.

La misión de la Parroquia de Santa Lucía es guiar a la comunidad a una relación transformadora con Jesucristo y la Iglesia Católica. Vivimos nuestra fe en el servicio y al dar la bienvenida.

The month of May is dedicated to our Blessed Mother Mary. It is a month to take time in prayer and contemplation over the wonder and blessing of Mary as the Mother of God and the Mother of our Holy Catholic Church.

There are several ways we can honor Mary during the month of May.

The first and most common is praying the Rosary. The daily (or weekly) recitation of the holy Rosary either alone or with the family is a wonderful way to mediate on the mysteries of Mary's unique place within our Church and her motherhood of our Lord Jesus Christ.

A second way of honoring Mary is through making an altar or placing a statue or picture of our Blessed Mother in a place of honor in your home for the month of May. You can also celebrate a "crowning of Mary" on Mother's Day. While we often think about May Crownings as a parish activity this is a wonderful way to involve children in this important practice of our faith. (Continued on page 5...)

El mes de mayo está dedicado a nuestra Santísima Madre María. Es un mes donde debemos tomarnos tiempo para orar y contemplar la maravilla y la bendición de María como la Madre de Dios y la Madre de nuestra Santa Iglesia Católica.

Hay varias formas en que podemos honrar a María durante el mes de mayo.

La primera forma y la más común es rezar el Rosario. La recitación diaria (o semanal) del Santo Rosario, ya sea solo, o con la familia es una forma maravillosa de mediar en los misterios del lugar único de María dentro de nuestra Iglesia y su maternidad como madre de nuestro Señor Jesucristo.

Una segunda forma de honrar a María es hacer un altar o colocar una estatua de la imagen de nuestra Santísima Madre en un lugar de honor en su hogar durante el mes de mayo. También puede celebrar una "coronación de María" en el Día de las Madres. A menudo pensamos en la coronación de María como una actividad parroquial, esta es una forma maravillosa de involucrar a los niños en esta importante práctica de nuestra fe. (Pastor's Notes Continued from page 1)

The third activity is to go to www.formed.org to view one of the many videos on the different aspects of Mary's role in our faith. There are videos for adults and children and each of them are great ways to open our heart to this wonderful treasure of our faith. The parish code is below and formed.org is free to everyone.

On another note...our parish is enrolling students at this time for the coming academic year. If you have an incoming pre-school or kindergarten student, please contact the school to see how Catholic education will be a blessing for your child(ren).

Lastly, our **Renewed in the Light** Capital Campaign continues to bear great fruit. We have not reached our goal but we, as a parish community, continue to look forward and seek how best we can steward the gifts of our time talent and treasure into creating a more welcoming and beautiful parish community. We are continuing the work of planning the new lighting system in our church building and have begun meeting with the architects to begin the preliminary designs for the new bathrooms in our parish school and church building. We once more thank you for those who have pledged and are in the process of fulfilling their pledges and continue to invite those members of our community who have yet to make a pledge to please prayerfully consider joining us in this great work.

God bless, Fr. Mark

(Notas del Párroco, de la pagina 1)

La tercera actividad es ir a www.formed.org para ver uno de los muchos videos sobre los diferentes aspectos del papel de María en nuestra fe. Hay videos para adultos y niños y cada uno de ellos es una gran manera para abrir nuestro corazón a este maravilloso tesoro de nuestra fe. El código de la parroquia está debajo y formed.org es gratis para todos.

En otra nota ... nuestra parroquia está matriculando estudiantes en este momento para el próximo año académico. Si tiene un estudiante empezando el preescolar o de kínder, póngase en contacto con la escuela para ver cómo la educación católica puede ser una bendición para su(s) hijo(s).

Por último, nuestra campaña de capital **Renovado en la Luz** continúa dando grandes frutos. No hemos alcanzado nuestra meta pero, como comunidad parroquial, seguimos esperando y buscando la mejor manera de administrar los talentos y el tesoro de nuestro tiempo para crear una comunidad parroquial más acogedora y bella. Continuamos con el trabajo de planificación del nuevo sistema de iluminación en nuestra iglesia y hemos comenzado a reunirnos con los arquitectos para comenzar los diseños preliminares de los nuevos baños en nuestra escuela parroquial y la iglesia. Una vez más, le agradecemos a quienes han prometido y están en el proceso de cumplir con sus promesas y continuamos invitando a aquellos miembros de nuestra comunidad que aún no se han comprometido a agradecer en oración y considerar unirse a nosotros en este gran trabajo.

Que Dios los bendiga, El Padre Mark

Teen Faith Formation

Are you being called to serve the youth? Hello, my name is Patty Osorio and I am the Youth Minister here at St. Lucy Parish. I'm not the *only* youth minister. Did you know we are all called to help educate our youth and lead each and every one of them closer to Christ? I believe our youth are our most important treasure. In this community we should all share a common goal— evangelizing children and teens to become active, productive, and happy contributing community members. Many of our teens need individualized attention and YOU have had varied experiences that can help our youth. I'm in need of volunteers to help me in ways that will allow me to provide more personal assistance to the youth. Our Parish volunteers (Core Leaders) support our teens and our parish. My job is to help and empower YOU to evangelize the youth. If you are interested in serving as a volunteer at our parish, I would be delighted to hear from you. There are many different ways volunteers can assist in our programs, depending on your special abilities or interests.

In Jesus' Peace, Patty Osorio, Coordinator of Youth & Evangelization

Here's what some of our current volunteers (Core Leaders) have to say:

"I volunteer because I love being able to watch teens grow in their faith as I once was able to experience. It is always heartwarming to see the teens become close to God and learn of His love for them and everyone else." - *Gabby Verbera, age 17*

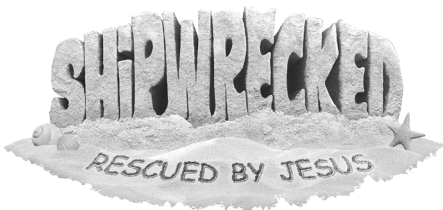

"I help with Confirmation because I have a passion for the Truth that is found through Christ. I love helping others understand the beauty of creation and the immense importance of the part that each one of us is called to play in it." – *Jonathan Bedard, age 23*

"Simply put: I love teaching about my faith." – *Mary Julio, age 22*

"The reason why I come back each year to help with the Confirmation program is to share my experience of finding Jesus in my life. My goal for the teens is for them to find their encounter with Jesus and to truly experience the love He has for us all. My favorite part about being a volunteer is planning the retreats with the core team. It takes time and dedication, but we always find ways to have fun." – *Kathy McLaughlin, age 20*

St. Lucy School News

Noticias de la Escuela de Santa Lucia

From the Principal's Office

Dear Parishioners,

Last weekend, St. Lucy School hosted a STREAM Celebration. Families entered the gym to a museum of amazing artwork by our Pre-K through 8th graders. I looked with awe at the fantastic student art projects on display. I had many favorite projects but two that stood out were the foxes that the Kindergarteners drew. As they watched their art teacher, Mrs. Horowitz, draw shapes, they copied them onto their paper which was then transformed into foxes. Another project showcased depth, foreground and background as the fifth graders drew bridges. Truly amazing work from our students.

Moving to the Jr. High Science projects, I listened to many students share their hypothesis and their experiments. Students had spent the morning explaining their projects to the Science Fair engineer judges and then spent the evening describing their work to parents. I was so impressed with their work!

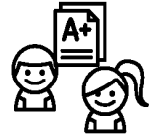

A new addition to our Celebration were our STREAM activities. Students moved from the Science Lab to the classrooms to the T.D. Mac Lab experiencing science, technology, engineering, art and math projects. Children were so excited as they made raisins dance, built droids, created clay animals, coded and played math games, to name a few. They never wanted to stop creating and building that night. Parents, students and teachers enjoyed the feeling of community. Another special celebration- Our second graders are receiving their First Communion this weekend. Please keep them in your prayers as they receive Jesus for the first time!

Blessings,
Sue Grover, Principal
