A NOTE FROM OUR PASTOR

© J. S. Paluch Co., Inc.

The time has come again when many children with their families will be celebrating the gift of the Eucharist as they receive their First Holy Communion. It is an important step in the faith life of the family and child as they receive the Body, Blood, Soul and Divinity of our Lord Jesus Christ. Knowing what is happening and believing in what we are receiving is a great blessing. In this, each one of us must continue to grow in our faith and love as we receive Jesus in the Eucharistic feast.

The Bishops of the United States remind us we can often get lost in the words and actions that surround us but ultimately it is the action of love and being blessed by God. They write: *"Many words and rituals surround the reception of Communion. The words of the Our Father magnificently express our closeness to the Father achieved through the sacrifice of his Son, and they ask him for the "daily bread" of the Eucharist. Then we make a sign of peace to one another, showing that our communion with Christ gives us also communion with each other. We form a procession and sing together as we approach the Lord's sacred Body and Blood. We bow before these in adoration before receiving them.* (Continued page 2...)

Notas del Párroco

© J. S. Paluch Co., Inc.

Hemos llegado otra vez a la temporada cuando muchos niños con sus familias celebrarán el don de la Eucaristía cuando reciban su Primera Comunión. Es un paso importante en la vida de fe para la familia y para el niño mientras reciben el Cuerpo, la Sangre, el Alma y la Divinidad de nuestro Señor Jesucristo. Saber lo que está sucediendo y creer en lo que estamos recibiendo es una gran bendición. En esto, cada uno de nosotros debemos continuar creciendo en nuestra fe y amor cuando recibimos a Jesús en la celebración eucarística.

Los obispos de los Estados Unidos nos recuerdan que a menudo podemos perdernos en las palabras y las acciones que nos rodean, pero en última instancia, es la acción de amor y la bendición de Dios. Ellos escriben: *"Muchas palabras y rituales rodean la recepción de la Comunión. Las palabras del Padre Nuestro expresan magníficamente nuestra cercanía del Padre alcanzada por el sacrificio de su Hijo y le piden el "pan de cada día" de la Eucaristía. Entonces hacemos un signo de paz el uno al otro, mostrando que nuestra comunión con Cristo nos da también la comunión de unos con otros. Formamos una procesión y cantamos juntos mientras nos acercamos al sagrado Cuerpo y Sangre del Señor. Nos inclinamos ante ellos en adoración antes de recibirlos.* (Continúa en la página 2...)

(Pastor's Notes Continued from page 1)

Each one of us is united to Christ in an intensely personal way by our reception of his Body and Blood. But, in addition, our reception of this sacred food and drink into our bodies makes of the whole assembly an enormous sign. In effect we take into ourselves—we swallow!—the sacrifice of Christ that was present on the altar. The assembly is made to be "one body and one spirit in Christ." (from "Beyond First Communion")

Please pray for all the young children and their families, that this First Holy Communion will be followed by weekly reception as they grow in faith, hope and love of God through his Son Jesus Christ.

God Bless, Fr. Mark

(Notas del Párroco, de la pagina 1)

Cada uno de nosotros está unido con Cristo de una manera intensamente personal por la recepción de su Cuerpo y Sangre. Pero, además, nuestra recepción de esta comida y bebida sagrada en nuestros cuerpos hace de toda la asamblea un signo enorme. En efecto, tomamos adentro de nosotros mismos - ¡nos tragamos! - el sacrificio de Cristo que estaba presente en el altar. La asamblea se hace "un cuerpo y un espíritu en Cristo." (De "Beyond First Comunion")

Por favor, oren por todos los niños y sus familias, para que esta Primera Comunión siga semanalmente a medida que crecen en la fe, la esperanza y el amor de Dios a través de su Hijo Jesucristo.

Que Dios Los Bendiga, El Padre Mark

Children's Mass Library

Children are excited about the books in the NEW Children's Mass Library. We are struggling to keep up with demand. Some children love them so much they want to take them home. This leaves us with only a few books for during Mass. *Until we have lots of books, parents please help your children return the books immediately after Mass.* Consider making a donation to help make this project successful for all. If you have any questions or if you would like to donate a book, please contact Christy Masleid at cmasleid@comcast.net or 650-823-5244. You may also take books to the Parish Office. Non-religious books will be given to the Angels Reading Camp. **If you wish to make a cash donation, please use a pink envelope and write "Children's Mass Library" on the envelope.**

Biblioteca para Niños en Misa

Los niños están muy entusiasmados con los libros de la NUEVA Biblioteca para Niños. Estamos luchando para mantenernos al día con la demanda. Algunos niños se los han llevado a casa. Esto nos deja con sólo unos cuantos libros para la Misa. Hasta que tengamos muchos libros, padres, por favor ayuden a sus hijos a devolver los libros inmediatamente después de la Misa. Considere hacer una donación para ayudar a que este proyecto sea exitoso para todos. Si tiene alguna pregunta o si desea donar un libro, comuníquese con Christy Masleid a cmasleid@comcast.net o al 650-823-5244. También puede llevar los libros a la Oficina Parroquial. VACATION BIBLE CAMP 2017 / CAMPAMENTO DE BIBLIA 2017

This year the Vacation Bible Camp "Make Fun Factory" will engage your children through creative and fun activities that will lead them to discover that they're lovingly crafted by God –the ultimate Maker– and built for a purpose!

Like gears in a machine, every part of Maker Fun Factory works together to produce an experience that really connects kids with Jesus. Kids learn one important Bible point each day, and it's reinforced often through Bible adventures, key Bible verses, songs, snacks, and hands-on explorations that change kid's lives forever!

Este año, el campamento bíblico en vacaciones "Make Fun Factory" atraerá a sus hijos a través de actividades creativas y divertidas que los llevarán a descubrir que fueron creados con amor por Dios –el Creador final– y hechos con un propósito.

Como engranajes en una máquina, cada parte de "Make Fun Factory" trabaja unida para producir una experiencia que conecta realmente a los niños con Jesús. Los niños aprenden un punto importante de la Biblia cada día, que se refuerza a menudo a través de aventuras bíblicas, versículos claves de la Biblia, canciones, aperitivos y exploraciones prácticas que cambian la vida de los niños para siempre!

Maker Fun Factory is for 3 years old (potty trained) to entering 5th grade children. Vacation Bible Camp this year is from June 26th to June 30th. Registration is \$100 per camper. Discount available for parent volunteers. Also, we have teenager volunteer opportunities.

Visit St. Lucy's website to register online or register in the parish office.

From the Principal's Office

Dear Parishioners,

Did you know that there were changes in Science classrooms across the US this year? New national standards are transforming science education. The Next Generation Science Standards aim to improve U.S. students' performance in STEM (science-technology-engineering-math) subjects, including chemistry. Under the Next Generation Science Standards, the higher order thinking skills of creating, evaluating, and analyzing are in the forefront of teaching science.

Our Science teachers have embraced the NGSS standards fully in grades 1-6 and have integrated them into our 7th and 8th grade science programs. Next year, Kindergarten will follow these new standards where all students develop an in-depth understanding of content and key skills. Students engage in practices to build, deepen, and apply their knowledge of core ideas and crosscutting concepts.

St. Lucy School hosted an Art and Science Engineering Fair and Celebration last Friday, which was a two fold event. In April, students developed their experiment- a question or problem to solve. They tested their hypothesis throughout the month, created a display board to document their experiments and then prepared their presentations. Judges from the public sector gave feedback to our Jr. High students as they presented their science projects. On Friday night, students presented their experiments to the school community. It was an amazing STEM event.

Who knew that our students were so talented? First Science and then Art. Our artists, guided by the Art teacher, created beautiful art projects using many mediums. Chalk, clay sculptures, stained glass, colored pencil, water colors were a few examples used in the student designs. The displayed art was truly amazing to view. Our Art and Science Celebration was a huge success.

It is so enjoyable to watch our students learn! Stop by and see the marvelous things we do in the school!

Blessings,
Sue Grover, Principal
