The mission of Saint Lucy Parish is to lead people to a transformative relationship with Jesus Christ and the Catholic Church. We live our faith by welcoming and serving.

La misión de la Parroquia de Santa Lucía es guiar a la comunidad a una relación transformadora con Jesucristo y la Iglesia Católica. Vivimos nuestra fe en el servicio y al dar la bienvenida.

At the heart of our mission to serve our brothers and sisters in Jesus Christ is the call to service. October has been filled with many blessings and activities in the parish. Our faith formation classes are in full swing. We've sat with both parents and children to talk about their faith journey and how we can grow in our faith and knowledge of Jesus Christ as children of God.

We hear the words "grow in our faith and knowledge" so often that we can forget how important this can be to our living joyfully as a family and community. Last week we introduced formed.org to the parish community. If you haven't had the chance to sign up and see the many offerings it has for growing our faith, we encourage you to do so. We will have much more information on how we can use this wonderful tool to continue to "grow in faith and knowledge" but it is certainly not the only way.

At our Ministry Mingle this weekend we are invited into direct service of the community. Please pray about how you can best serve our Catholic community here at St. Lucy. (Continued on page 2...)

En el corazón de nuestra misión de servir a nuestros hermanos y hermanas en Jesucristo es el llamado al servicio. Octubre se ha llenado de muchas bendiciones y actividades en la parroquia. Nuestras clases de formación de la fe están en pleno apogeo. Nos hemos sentado con

padres e hijos para hablar sobre su jornada de fe y como podemos crecer en nuestra fe y conocimiento de Jesucristo como hijos de Dios.

Escuchamos las palabras "crecer en nuestra fe y conocimiento" tan a menudo que podemos olvidarnos de la importancia de vivir alegremente como familia y comunidad. La semana pasada les presentamos formed.org a la comunidad parroquial. Si no ha tenido la oportunidad de inscribirse y observar la variedad de ofertas que tiene para hacer crecer nuestra fe, lo animamos a que lo haga. Tendremos mucha más información sobre cómo podemos usar esta maravillosa herramienta para continuar "creciendo en fe y conocimiento", pero ciertamente no es la única manera.

En nuestro Ministry Mingle este fin de semana, estamos invitados al servicio directo a la comunidad. Por favor, ore acerca de cómo puede servir mejor a nuestra comunidad católica aquí en Santa Lucia. (Continúa en la página 2...)

(Pastor's Notes Continued from page 1)

Last but not least, we are in the beginning stages of our Capital Improvement Campaign to help renew our facilities to better serve you and to continue to make our parish campus a place of welcome and blessing to all who visit. You will soon be receiving from me a letter describing the goals of the campaign and the needs of the parish. Your generosity of prayer and treasure are essential in making this campaign a success. Thank you in advance for the blessings you continue to share with St. Lucy Parish.

God Bless, Fr. Mark

(Notas del Párroco, de la pagina 1)

Por último, estamos en las etapas iniciales de nuestra Campaña de Capital que ayudara a renovar nuestras instalaciones para servirle mejor y para continuar convirtiendo nuestro campus parroquial en un lugar de bienvenida y bendición para todos los que visitan. Pronto recibirás de mí una carta que describe los objetivos de la campaña y las necesidades de la parroquia. Su generosidad de oración y tesoro es esencial para que esta campaña sea un éxito. Gracias de antemano por las bendiciones que sigue compartiendo con Santa Lucía.

Que Dios Los Bendiga, El Padre Mark

WHAT IS A CATECHIST? WHAT DOES A CATECHIST DO?

A catechist is a person of faith who leads others in understanding the teachings of Christ and the Church. The primary goal of a catechist is to model God's love to others. As a result, the primary requisite of a catechist is a love for God and a love for children. A catechist develops a lesson plan and uses that plan to teach in the classroom. By creating the lesson plan the catechist ultimately designs and structures experiences for students that help them grow in their personal faith and spirituality. The catechist passes on to students a set of shared meanings and values that are Catholic and Christian.

Here at St. Lucy's we have a strong team of catechists and always welcome new members. If you are interested in becoming a catechist please contact Irma Rangel at Ext. 102 or ialarconderangel@dsj.org

¿QUE ES UN CATEQUISTA? ¿QUE HACE UN CATEQUISTA?

Un catequista es una persona de fe que conduce a otros en la comprensión de las enseñanzas de Cristo y de la Iglesia. El objetivo principal de un catequista es modelar el amor de Dios a los demás. Como resultado, el primer requisito de un catequista es amar a Dios y tener amor por los niños. Un catequista desarrolla un plan de la clase y utiliza ese plan para enseñar en el salón. Mediante la creación del plan de la lección el catequista diseña y estructura las experiencias que ayudarán a los estudiantes a crecer en su fe personal y espiritual. El catequista comparte a los estudiantes un conjunto de significados y valores que son católicos y cristianos.

Aquí en Santa Lucía contamos con un buen equipo de catequistas y siempre damos la bienvenida a nuevos miembros. Si usted está interesado/a en ser un catequista, por favor llame a Irma Rangel en la Ext. 102 ó mande un email a ialarconderangel@dsj.org

From the Principal's Office

Dear Parishioners,

Field trips are a wonderful part of a student's education. They are excited to go off campus to learn something different, while teachers look for field trips that have an educational purpose and enhances the curriculum taught.

This month, three grades ventured off campus, Kindergarteners visited Uesugi Farms in Morgan Hill. The First grade visited the tortoises in Campbell, and the Third grade went to the Tech Museum.

For Kindergarteners, exploring the pumpkin patch looking for the perfect pumpkin is fun at any age but for our Kindergartners, they also learn Science and Math. First, they learn about the growth cycle of the pumpkin. They not only measure the circumference, height, and weight of the pumpkins, but as a class they carve a pumpkin, take out the seeds and then roast them. Students also predict whether pumpkins will float or sink. Charting the weight of the pumpkins, learning how to cook and then eat the seeds is quite enjoyable for our 5 year olds. What a great learning experience!

Our First graders were very excited to go on a walking field trip in Campbell to see the tortoises. Learning about their habitat, feeding them and actually riding them were highlights.

The Third grade traveled to the Tech Museum to participate in the Tech's Hands On Labs which support the Next Generation Science Standards. Students participate in sessions which offer deeper learning experiences that reinforce scientific concepts. One of the labs that students worked on was Forces of Magnetism. They explore the planetary magnetic fields of our galaxy. Back on Earth, students experimented with electromagnets and learned how engineers are using this technology to power travel of the future. Students are energized by the excitement, anticipation and wonder of field trips. They carry this excitement back into the classroom where teachers expand their knowledge. Seeing is believing!

Blessing,
Sue Grover, Principal
