Hearing stories about travel always piques my interest. People travel for many different reasons though for some a career requires them to travel for short stretches or longer intervals. For many such professionals their desire to fulfill attend Sunday Mass is attenuated by the factors of time, location, and language. Many of these may be able to understand and speak the vernacular even while they may be unacquainted with the customs and tradition people revere in a land they know only superficially. Still, somehow, travelers seem to find a community with a Latin Rite Priest even when they are thousands of miles away from wherever they call home.

Of course, this kind of travel is different from the immigrant's need to relocate. The immigrant wagers a good deal more in the roll of the dice than those that travel for business or pleasure. News reports from around the world show immigrants fleeing from economic oppression, those that flee because of warfare, oppression, or persecution. (Continued on page 5...)

*Escuchar historias sobre viajes siempre despierta mi interés. Las personas viajan por muchas razones diferentes, aunque para algunas su carrera requiere que viajen por períodos cortos o por intervalos más largos. Para muchos de estos profesionales, su deseo de cumplir con asistir a la misa dominical se complica por factores de tiempo, lugar e idioma. Muchos de ellos pueden ser capaces de entender y hablar la lengua aunque no estén familiarizados con las costumbres y tradiciones que la gente venera en una tierra que conocen sólo superficialmente. Aún así, de alguna manera, los viajeros parecen encontrar una comunidad con un sacerdote de rito latino, incluso cuando están a miles de kilómetros de distancia de cualquier lugar al que llaman hogar.*

*Por supuesto, este tipo de viaje es diferente a la necesidad del inmigrante de trasladarse. El inmigrante depende mas del lugar donde espera vivir que los que viajan por negocios o por placer. Los informes de noticias de todo el mundo muestran que muchos inmigrantes huyen de la opresión económica, o hay aquellos que huyen debido a la guerra, la opresión o la persecución. ## Synod Notes Notas del Sínodo

### (Pastor's Notes Continued from page 1)

It is these who must trust in God's providence for a new life; to remain hopeful in finding refuge in a new land in order to maintain the values and principles of what they learned in their own land. Many people throughout the world can find such familiarity in the communal prayer of the Mass. When for the moment one can feel a sense of alienation when traveling in a foreign land, the Church reminds the traveler that we are all citizens of the world and brothers and sisters in Christ.

My grandmother immigrated from Italy. Her simple and devout faith gave me a European worldview that broadened my understanding of a universal experience. Still I could not possibly relate to the universal Church without first understanding the customs and traditions of the local parish. Learning these gives a common experience in order to become a community that works together to achieve mutual goals. When a local parish can exhibit these qualities, the greater potential for achievement and the progress of people to succeed on an international and national scale. World Youth Day is a prime example of how members of so many parish communities can influence the hearts and minds of believers and non-believers alike in local and universal Church.

Anywhere we might travel, it is almost certain we can find a place to pray with a local community. Most people know that Catholic means universal. This in no way diminishes local custom or tradition, and we're likely to find that every Catholic community is unique. Each Catholic Community follows the universal call to prayer in the Mass. Our membership in the local Catholic Community confirms the communion we share as the Universal Church.

### (Notas del Párroco, de la pagina 1)

*Son estos los que deben confiar en la providencia de Dios para una nueva vida; tener la esperanza de encontrar refugio en una nueva tierra para mantener los valores y principios que aprendieron en su propia tierra. Mucha gente en todo el mundo puede encontrar tal familiaridad en la oración comunitaria de la Misa. Cuando uno puede sentir una sensación de alienación al viajar a un país extranjero, la Iglesia recuerda al viajero que todos somos ciudadanos del mundo y hermanos y hermanas en Cristo.*

*Mi abuela emigró de Italia. Su fe sencilla y devota me dio una visión europea que amplió mi comprensión de una experiencia universal. Aún así, no podría relacionarme con la Iglesia universal sin antes comprender las costumbres y tradiciones de la parroquia local. Aprenderlos brinda una experiencia común para convertirse en una comunidad que trabaja en conjunto para lograr objetivos mutuos. Cuando una parroquia local puede exhibir estas cualidades, aumenta el potencial de logro y el progreso de las personas para un éxito a escala internacional y nacional. La Jornada Mundial de la Juventud es un excelente ejemplo de cómo los miembros de tantas comunidades parroquiales pueden influir en los corazones y las mentes de los creyentes y no creyentes por igual en la Iglesia local y universal.*

*En cualquier lugar al que viajemos, es casi seguro que podemos encontrar un lugar para orar con una comunidad local. La mayoría de la gente sabe que católico significa universal. Esto de ninguna manera disminuye las costumbres o tradiciones locales, y es probable que descubramos que cada comunidad católica es única. Cada Comunidad Católica sigue el llamado universal a la oración en la Misa. Nuestra membresía en la Comunidad Católica local confirma la comunión que compartimos como Iglesia Universal.*

## Reflection / Reflexión

### RETURNING TO ORDINARY LIFE

Six weeks into our Easter rejoicing, the Church gives us readings today that start preparing us for a return to ordinary life. The Acts of the Apostles and the Gospel both dwell on proper daily behavior for followers of Jesus, while the reading from Revelation reminds us why we bother with laws at all. In Acts, leaders of the church meet to discuss which essential elements of the Mosaic Law converts must obey if they wish to be disciples of Jesus Christ. John's Gospel reflects back to the Last Supper discourse when Jesus himself emphasizes the importance of obeying God's commandments. Observing God's law, says Jesus, shows a desire to be intimate with the Lord. We follow rules not for their own sake, but to love God and neighbor better. This more excellent love brings us closer to Revelation's vision of paradise, gleaming with "the splendor of God." Copyright © J. S. Paluch Co.

### VOLVER A LA VIDA ORDINARIA

*Seis semanas después de la celebración de la Pascua, la Iglesia nos da las lecturas de hoy que empiezan a prepararnos para regresar a la vida ordinaria. Tanto las del libro de los Hechos de los Apóstoles como el Evangelio se fijan en el comportamiento cotidiano de los seguidores de Jesús, mientras que la lectura del Apocalipsis nos recuerda por qué nos agobiamos por las leyes. En los Hechos, los líderes de la Iglesia se reúnen para comentar qué elementos esenciales de la Ley de Moisés deben obedecer los conversos si desean ser discípulos de Jesucristo. El Evangelio de Juan se remota al discurso de la Última Cena, cuando el propio Jesús subraya la importancia de obedecer los mandamientos de Dios. Observar la ley de Dios, dice Jesús, muestra el deseo de intimar con el Señor. Seguimos las normas no por sí mismas, sino para amar mejor a Dios y al prójimo. Este amor más excelente nos acerca a la visión del paraíso del libro del Apocalipsis, resplandeciente con "el esplendor de Dios".* Copyright © J. S. Paluch Co.

## Beyond our Parish

SAN JOSE

guides the Church, and we need to listen prayerfully to the Spirit's promptings so that our Diocese might embark on a journey of faith that is "ever ancient, ever new." Visit <https://www.dsj.org/year-of-prayer/> for more details.
