The mission of Saint Lucy Parish is to lead people to a transformative relationship with Jesus Christ and the Catholic Church. We live our faith by welcoming and serving.

La misión de la Parroquia de Santa Lucía es guiar a la comunidad a una relación transformadora con Jesucristo y la Iglesia Católica. Vivimos nuestra fe en el servicio y al dar la bienvenida.

Watchful Prayer

The Camaldolese Monks on the Big Sur Coast of California are noted for their contemplative and communal prayer forms. The Camaldolese Monastery was founded in the 11th century by St. Romuald whose own spiritual path led him to a life of contemplation and austerity. Still headquartered in the town known as Camaldoli, Italy, sometime in the mid 20th century the community acquired land in California and expanded their reach to western region of the U.S. Since then, they remain a source of spiritual renewal and welcome for those traveling on the central coastal highway.

If you have visited the monastery near Big Sur and attended Mass or one of other communal prayer times scheduled throughout the day, you will find their rhythm of prayer follows a much slower pace. This can be perplexing for those new to their cadence since the general population is more inclined to a faster call and response tempo. At prayer with the Camaldolese monk, you will find they observe a full 3 seconds before they respond to the presider's greeting such as "the Lord be with you." Being more conscientious at prayer allows those assembled to recognize the significance of the present moment and helps them to avoid interior or exterior distractions. (Continued on page 5...)

Oración Vigilante

Los monjes camaldulenses en la costa de Big Sur de California se destacan por sus formas de oración contemplativas y comunitarias. El Monasterio Camaldulense fue fundado en el siglo XI por San Romualdo, cuyo propio camino espiritual lo llevó a una vida de contemplación y austeridad. Todavía con su sede en la ciudad conocida como Camaldoli, Italia, en algún momento a mediados del siglo XX, la comunidad adquirió tierras en California y expandió su alcance a la región occidental de los EE. UU. Desde entonces, siguen siendo una fuente de renovación espiritual y bienvenida para quienes viajan en el carretera costanera central.

Si ha visitado el monasterio cerca de Big Sur y ha asistido a misa o a uno de los otros momentos de oración comunitarios programados a lo largo del día, encontrará que su ritmo de oración es mucho más lento. Esto puede resultar desconcertante, ya que la población en general se inclina más por un ritmo de llamada y respuesta más rápido. En la oración encontrará que observan 3 segundos completos antes de responder al saludo del celebrante, como "el Señor esté con ustedes". Ser más conscientes en la oración permite a los reunidos reconocer el significado del momento presente y les ayuda a evitar distracciones interiores o exteriores. (Continúa en la página 5...)

Synod Notes Notas del Sínodo

(Pastor's Notes Continued from page 1)

When we assemble in the sacred space of St. Lucy Parish each Sunday, we hope for the same kind of conscientiousness. Our parish is comprised of people who live in the surrounding region of Campbell, San Jose, and the occasional visitor from elsewhere. Since March of 2022, the dispensation from our Sunday obligation to attend Mass in person has been lifted. Liturgy in its best form is visceral and requires us to be physically present. Being conscientious, being present to the moment, is the way we prepare to experience the sacred liturgy with reverence. The character of our gathering is meant to draw us closer to God and each other. While we probably won't be following the slower cadence of monks at prayer anytime soon, all of us can learn to be more conscientious about attending Sunday Mass.

The Mass is meant to be significant for all of us and acting intentionally can improve the way we prepare ourselves. We begin our Sunday Masses at the time they are scheduled. This means if you plan to attend 9am Mass, it would be beneficial to plan to be at St. Lucy by 8:45am in order to observe time for silent prayer before Mass begins. Additionally, Masses are normally one hour, and everyone is meant to remain until the end of the recessional hymn. Let's keep these things in mind as we transition from spring into summer and be more conscientious about prayer.

(Notas del Párroco, de la pagina 1)

Cuando nos reunimos en el espacio sagrado de la Parroquia de Santa Lucía cada domingo, esperamos el mismo tipo de escrupulosidad. Nuestra parroquia está compuesta por personas que viven en la región circundante de Campbell, San José, y visitantes ocasionales de otros lugares. Desde marzo de 2022, se levantó la dispensa de nuestra obligación dominical de asistir a Misa en persona. La liturgia en su mejor forma y requiere que estemos físicamente presentes. Ser consciente, estar presente en el momento, es la forma en que nos preparamos para vivir la sagrada liturgia con reverencia. El carácter de nuestra reunión está es para acercarnos más a Dios y a los demás. Aunque es probable que no sigamos la cadencia más lenta de los monjes en la oración, todos podemos aprender a ser más conscientes de asistir a la misa dominical.

La Misa está destinada a ser significativa para todos nosotros y actuar intencionalmente puede mejorar la forma en que nos preparamos. Comenzamos nuestras misas dominicales a la hora programada. Esto significa que si planea asistir a la Misa de las 1 pm, sería beneficioso planear estar en Santa Lucía a las 12:45 pm para observar un tiempo de oración en silencio antes de que comience la Misa. Además, las Misas son normalmente de una hora, y todos deben quedarse hasta el final del himno de recesión. Tengamos en cuenta estas cosas a medida que hacemos la transición de la primavera al verano y seamos más conscientes de la oración.
