**Brave the Elements**

The comforts of urban living make our lives easier, and perhaps for that reason we may live richer and longer lives. This lifestyle gives us the impression that we can separate ourselves from the harsher aspects of the natural world. We recreate the environment to accommodate a humane habitation. This leads to the reason for people to form themselves into communities so as to ward off or help recover from a natural disaster or social crisis. In our era, with its uncertain progress, we will nevertheless seek to make life even more comfortable at the expense of the natural world.

Even so, many endeavor to brave the elements during the summer months; to get out from behind the monitor or laptop; to savor long periods of adventure with more hours of daylight; to put one's own self outside the comfort of home to experience the world first hand and to see the grandeur of God's creation. It's not easy to be away from familiar surroundings because we leave behind what we know for what we can discover. (Continued on page 5...)

**Desafiar los Elementos**

*Las comodidades de la vida urbana nos facilitan la vida, y tal vez por esa razón podamos vivir vidas más ricas y largas. Este estilo de vida nos da la impresión de que podemos separarnos de los aspectos más duros del mundo natural. Recreemos el entorno para acomodar una habitación humana. Esto lleva a la razón por la cual las personas se forman en comunidades para protegerse o ayudar a recuperarse de un desastre natural o una crisis social. En nuestra era, con su progreso incierto, sin embargo, buscaremos hacer la vida aún más cómoda a expensas del mundo natural.*

*Aun así, muchos se esfuerzan por desafiar los elementos durante los meses de verano; salir de detrás del monitor y computadora; para saborear largos periodos de aventura con más horas de luz; poner uno mismo fuera de la comodidad del hogar para experimentar el mundo de primera mano y ver la grandeza de la creación de Dios. No es fácil estar lejos de un entorno familiar porque dejamos atrás lo que sabemos por lo que podemos descubrir. (Continúa en la página 5...)*

**(Pastor's Notes Continued from page 1)**

Even if only for a little while, braving the elements can be a life changing experience if one is true to the responsibility of being prepared.

One of the best ways to prepare is by making lists of all that is necessary for a successful adventure. Following a prescribed itinerary makes for an expected outcome with travel times and events that create the possibility for discovery. There is a certain willfulness when planning. The adage that comes to mind: "if you want to make God laugh, tell him your plans." Consequently, humility is essential to planning anything successful along with contingencies for the unexpected. It's the combination of humility and confidence that make braving the elements possible. They allow for the possibility of seeing how things might be when you arrive at your destination. It's funny how what we imagine is never the way that it is and how sometimes we bring things that weren't necessary. Adventures take on a life of their own and stand as chapter of memory we don't soon forget. Sometimes these include having to brave the elements to survive and a chance to tell the tale.

We are pilgrims braving the elements together. We learn to live together to form community and create humane habitations. It requires humility, confidence, preparation, and vision. We may know the comfort of home once the journey ends. This is repeated over and over until we find our eternal home with God. That adventure awaits us all. Whatever willfulness directs toward the horizon that is God will give way to grace and peace to which God has prepared for us.

**(Notas del Párroco, de la pagina 1)**

*Aunque solo sea por un rato, desafiar los elementos puede ser una experiencia que cambia la vida si uno es fiel a la responsabilidad de estar preparado.*

*Una de las mejores formas de prepararse es hacer listas de todo lo necesario para una aventura exitosa. Seguir un itinerario prescrito genera un resultado esperado con momentos en jornada y eventos que crean la posibilidad de descubrimiento. Hay una cierta obstinación a la hora de planificar. El dicho que me viene a la mente: "si quieres hacer reír a Dios, cuéntale tus planes". En consecuencia, la humildad es esencial para planificar cualquier cosa exitosa junto con contingencias para lo inesperado. Es la combinación de humildad y confianza lo que hace posible desafiar los elementos. Permiten la posibilidad de ver cómo pueden ser las cosas cuando llegues a tu destino. Es curioso como lo que imaginamos nunca es como es y como a veces traemos cosas que no eran necesarias. Las aventuras tienen su vida propia y se mantienen como un capítulo de la memoria que no olvidamos pronto. A veces, estas incluyen tener que enfrentarse a los elementos para sobrevivir y tener la oportunidad de contar la historia.*

*Somos peregrinos desafiando los elementos juntos. Aprendemos a convivir para formar una comunidad y crear viviendas humanas. Requiere humildad, confianza, preparación y visión. Podemos conocer la comodidad del hogar una vez que termine la jornada. Esto se repite una y otra vez hasta que encontramos nuestro hogar eterno con Dios. Esa aventura nos espera a todos. Cualquier obstinación que dirija hacia el horizonte que es Dios dará paso a la gracia y la paz que Dios ha preparado para nosotros.*

## Children & Teen Faith Formation *Formación de Fe para Niños y Adolescentes*

**Interested in attending World Youth Day in Portugal?** World Youth Day (WYD) is the gathering of young people from all over the world with the Pope. It is also a pilgrimage, a celebration of youth, an expression of the universal Church and an intense moment of evangelization for the youth world. Although its Catholic identity is clearly evident, WYD opens its doors to everyone, no matter how close to or distant from the Church they are. It is celebrated at the diocesan level on Palm Sunday, and every two, three or four years as an international gathering in a city chosen by the Pope, with the presence of the Holy Father. It brings together millions of young people to celebrate their faith and sense of belonging to the Church. We want to know if any upperclass high school students and young adults would be interested in going with Bishop Cantu. If interested please contact [patty.osorio@dsj.org](mailto:patty.osorio@dsj.org), more info: [dsj.org/evangelization/yya/wyd2023/](http://dsj.org/evangelization/yya/wyd2023/)

**¿Interesado en asistir a la Jornada Mundial de la Juventud en Portugal?** La Jornada Mundial de la Juventud (JMJ) es el encuentro de jóvenes de todo el mundo con el Papa. Es también una peregrinación, una fiesta de la juventud, una expresión de la Iglesia universal y un momento intenso de evangelización para el mundo juvenil. Aunque su identidad católica es claramente evidente, la JMJ abre sus puertas a todos, sin importar lo cerca o lejos que estén de la Iglesia. Se celebra a nivel diocesano el Domingo de Ramos, y cada dos, tres o cuatro años como encuentro internacional en una ciudad elegida por el Papa, con la presencia del Santo Padre. Reúne a millones de jóvenes para celebrar su fe y sentido de pertenencia a la Iglesia. Queremos saber si algún estudiante de secundaria (11/12) y adultos jóvenes estarían interesados en ir con el Obispo Cantú. The Institute for Leadership in Ministry offers a 3-year course of study for lay leaders in the Church. The theological base for this program is found in the documents of the Second Vatican Council. Responding to their baptismal call, graduates return to their parish to serve in various leadership roles in Liturgy, Catechetics, Social Justice, Pastoral Care, and other ministries. If you feel called to explore this possibility, we are looking for a few qualified candidates for the new ILM academic year, which begins in the fall. Contact your pastor for more information. ### Institute for Leadership in Ministry

El Instituto de Liderazgo Ministerial es un curso de estudio de 3 años. El ILM brinda capacitación y formación en la fe para líderes laicos en la Iglesia. La base teológica de este programa se encuentra en los documentos del Concilio Vaticano II. Respondiendo a su llamado bautismal, los graduados regresan a sus parroquias para servir en varias áreas de liderazgo en Liturgia, Catequesis, Justicia Social, Cuidado Pastoral y otros ministerios. Si siente un llamado a explorar esta posibilidad, estamos buscando algunos candidatos calificados para el nuevo año académico del ILM, que comienza este otoño. Póngase en contacto con nuestro párroco para obtener más información. También puede leer más sobre el ILM [www.dsj.org](http://www.dsj.org).
