The mission of Saint Lucy Parish is to lead people to a transformative relationship with Jesus Christ and the Catholic Church. We live our faith by welcoming and serving.

La misión de la Parroquia de Santa Lucía es guiar a la comunidad a una relación transformadora con Jesucristo y la Iglesia Católica. Vivimos nuestra fe en el servicio y al dar la bienvenida.

A New School Year

The summer is fading into the background as fall will soon be here. The students and teachers at St. Lucy School have returned for another academic year. Thankfully, at least in the bay area, this summer we had cooler temperatures than last year. The summer break is a time for rest, recreation, and a respite from the normal course. Such time allows us to live in the present, review the past, and find a path to the future. It is essential that each of us take time to for reflection as perhaps many of you may have during this break.

If this is so for students, the same is true for parish members charged with the work of leadership among the various councils here at St. Lucy. The parishioners engaged in parish leadership continue to pursue the course of developing communal life. Leadership is an important feature of the parish experience, and its pursuit knows no end as it continues throughout the year and gives way to some tangible result. (Continued on page 5...)

Un Nuevo Año Escolar

El verano se está desapareciendo ya que pronto llegará el otoño. Los estudiantes y maestros de la escuela parroquial de St. Lucy han regresado para otro año académico. Afortunadamente, al menos en el área de la bahía, este verano tuvimos temperaturas más frescas que el año pasado. Las vacaciones de verano son un tiempo de descanso, recreación y una pausa de lo normal. Ese tiempo nos permite vivir el presente, revisar el pasado y encontrar un camino hacia el futuro. Es esencial que cada uno de nosotros se tome un tiempo para reflexionar, como quizás muchos de ustedes lo hayan hecho durante este receso.

Si esto es así para los estudiantes, lo mismo es cierto para los miembros de la parroquia encargados del trabajo de liderazgo entre los diversos consejos aquí en Santa Lucía. Los feligreses comprometidos con el liderazgo parroquial siguen el curso del desarrollo de la vida comunitaria. El liderazgo es una característica importante de la experiencia parroquial, y su búsqueda no tiene fin ya que continúa a lo largo del año y da paso a algún resultado tangible. (Pastor's Notes Continued from page 1)

Given this reality with leadership councils, one could easily feel that the results of a year's effort may seem inconclusive or immaterial. Among ecclesial councils, far-reaching results require the consultation of many more than only the members of the council conducting the work. It seems that the most effective councils spent 80% of their efforts planning and 20% with executing a plan. It is not so easy to balance between these two aspects of council work. Most folks want to act rather than plan since planning requires a process of consensus among a variety of opinions. Planning with other members of a council requires patience and understanding. Council members do well to create consensus in order to find agreement.

Even so, a plan is never fully complete until the leadership communicates with as many for whom a plan will effect. It requires a common vision that will engage and inspire others in the parish to contribute their own ideas and hopes for the future. Once a plan is in place and there is sufficient communication and review, the plan solidifies and execution follows. Ultimately, being able to communicate an end result is essential to the members of the council and parish membership at large. Such is the work of St. Lucy leadership councils.

Let us keep the students and teachers at St. Lucy School in our prayers as we begin this new school year. As our teachers develop the minds and hearts of the next generation of Catholics and citizens of our cherished land, may they know the support of parishioners at St. Lucy Church and be inspired by the faithfulness and dedication of parish leadership.

(Notas del Párroco, de la pagina 1)

Dada esta realidad con los consejos de liderazgo, uno podría sentir fácilmente que los resultados del esfuerzo de un año pueden parecer inconclusos o inmateriales. Entre los consejos eclesiales, los resultados de gran alcance requieren la consulta de muchos más que solo los miembros del consejo que realizan el trabajo. Parece que los consejos más efectivos dedicaron el 80% de sus esfuerzos a la planificación y el 20% a la ejecución de un plan. No es tan fácil equilibrar estos dos aspectos del trabajo del consejo. La mayoría de la gente quiere actuar en lugar de planificar, ya que la planificación requiere un proceso de consenso entre una variedad de opiniones. La planificación con otros miembros de un consejo requiere paciencia y comprensión. Los miembros del consejo hacen bien en crear consenso para llegar a un acuerdo.

Aun así, un plan nunca está completamente completo hasta que el liderazgo se comunica con los que el plan tendrá efecto. Requiere una visión común que involucre e inspire a otros en la parroquia a contribuir con sus propias ideas y esperanzas para el futuro. Una vez que se implementa un plan y hay suficiente comunicación y revisión, el plan se solidifica y sigue la ejecución. En última instancia, poder comunicar un resultado final es esencial para los miembros del consejo y la parroquia en general. Tal es el trabajo de los consejos de liderazgo de Santa Lucía.

Mantengamos a los estudiantes y maestros de la escuela de Santa Lucía en nuestras oraciones al comenzar este nuevo año escolar. A medida que nuestros maestros desarrollen las mentes y los corazones de la próxima generación de católicos y ciudadanos de nuestra querida tierra, que conozcan el apoyo de los feligreses de la Iglesia de Santa Lucía y se sientan inspirados por la fidelidad y dedicación del liderazgo parroquial.

GOD'S PEOPLE GATHER

Our readings today remind us of the larger story of the Bible, of God's purposes and promises for the world. Because of humanity's rejection of God, as told in Genesis, human communities were first dispersed. Isaiah proclaims that one day God will gather these communities to be healed and reconciled with God. In Luke's Gospel, Jesus echoes Isaiah and teaches that all peoples in God's promised future "will recline at table in the kingdom of God." Notice that in Isaiah, the nations coming to God do not lose their ethnicity or unique identity. They bring their own distinct cultural gifts to God's table. Each people has its unique history with God, has received distinct blessings from God, and each is accountable to God. Today, we live in a global and multi-cultural Church. When God's diverse peoples gather in worship today, may we honor and celebrate each other's gifts and blessings. Copyright © J. S. Paluch Co.

Institute for Leadership in Ministry

El Instituto de Liderazgo Ministerial es un curso de estudio de 3 años. El ILM brinda capacitación y formación en la fe para líderes laicos en la Iglesia. La base teológica de este programa se encuentra en los documentos del Concilio Vaticano II. Respondiendo a su llamado bautismal, los graduados regresan a sus parroquias para servir en varias áreas de liderazgo en Liturgia, Catequesis, Justicia Social, Cuidado Pastoral y otros ministerios. Si siente un llamado a explorar esta posibilidad, estamos buscando algunos candidatos calificados para el nuevo año académico del ILM, que comienza este otoño. Póngase en contacto con nuestro párroco para obtener más información. También puede leer más sobre el ILM www.dsj.org.
