The mission of Saint Lucy Parish is to lead people to a transformative relationship with Jesus Christ and the Catholic Church. We live our faith by welcoming and serving.

La misión de la Parroquia de Santa Lucía es guiar a la comunidad a una relación transformadora con Jesucristo y la Iglesia Católica. Vivimos nuestra fe en el servicio y al dar la bienvenida.

Achieving the Next Level

Greeting the members of the assembly after the 9am Mass, I saw someone wearing a shirt that read, "My ideal day; Wake up, play video games; eat breakfast, play video games; take a shower..." etc. and so on. A popular form of entertainment for many and growing number of competitors in a field of what is a virtual arena where anyone can go on an adventure learning to survive in a hostile world without leaving the confines and safety of the bedroom. You can only improve your chances of winning by accepting the challenges that the adventure presents, and in the likelihood of something going terribly wrong along the way, the only consequence is failing to achieve the next level. Therein lies the hook to keep the player engaged and rise to the challenge of reaching the next level.

Life offers second chances and allows us to rise above our limitations every now and then, but unlike the video game, life as we know it is over when you die. That certainty could cause any of us to wonder if it makes any difference whether we improve or not. (Continued on page 5...)

Alcanzando el siguiente nivel

Al saludar a los miembros de la asamblea después de la misa de las 9 am, vi a alguien con una camiseta que decía: "Mi día ideal; Despierta, juega videojuegos; desayunar, jugar videojuegos; tomar una ducha..." etc. y así sucesivamente. Una forma popular de entretenimiento para muchos y cada vez más competidores en un campo virtual donde cualquiera puede emprender una aventura aprendiendo a sobrevivir en un mundo hostil sin salir de los confines y la seguridad del dormitorio. Solo puede mejorar sus posibilidades de ganar si acepta los desafíos que presenta la aventura, y en la posibilidad de que algo salga terriblemente mal en el camino, la única consecuencia es no pasar al siguiente nivel. Ahí radica el gancho para mantener al jugador comprometido y enfrentar el desafío de alcanzar el siguiente nivel.

La vida ofrece segundas oportunidades y nos permite superar nuestras limitaciones de vez en cuando, pero a diferencia del videojuego, la vida tal como la conocemos se acaba cuando mueres. Esa certeza podría hacer que cualquiera se pregunte si hay alguna diferencia entre mejorar o no mejorar. (Continúa en la página 5...)

 Taiz3 Prayer Around the Cross**

7:00-7:45pm on Thursday, October 28

The Taiz3 (pronounced "teh-ZAY") prayer service is from an interfaith community founded in Taiz3, France in 1940. We'll sing simple chants throughout the service (such as Jesus, Remember Me) and have a short reading from scripture followed by moments of silent reflection. There's a period for your intercessory prayers after which we'll pray the Our Father. Near the end of service you'll be invited to pray at the cross in whatever form you're comfortable with kneeling, touching, or standing by the cross.

Take all the time you need at the cross as you place your joys and concerns to Christ. Watch a short example of a Taiz3 service: <https://>

This will take place Friday October 15th at St Lucy's Parish in the PAC, from 6-8pm. Not only will there be refreshments provided, but you are welcome to be part of an insightful discussion of the episode following the screening.

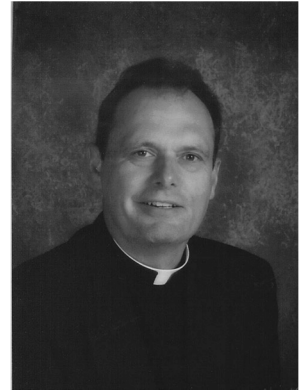

(Pastor's Notes Continued from page 1)

When people say, "you must accept me as I am" does that mean that we must accept what most of us would find annoying or intolerable? Adapting to our environment is critical for survival but there must be a reasonable strategy to achieve the goal and transcend whatever obstacle that impedes us. Unlike the hook that keeps the player in tension with defeat and the potential for winning, in life, we employ our will to rise above and achieve the next level.

While in seminary formation, each of us became more mindful of the interior life. Regular examination of the conscience is essential to communal life because thoughts matter and they can affect our actions. We were often challenged to review our strengths and weaknesses, and our professors instructed us on how we can capitalize on strengths and work toward refining the areas we most wanted to improve. They taught that we can overcome weakness gradually by recognizing that improvement is only possible by acknowledging what many of us are most afraid to confront. The desired change comes about bit by bit, and little by little we realize a new level of maturity.

Life's improvements are gradual. They can lead us to greater interior peace by our mastery over weakness resulting in ever abiding sense of self confidence. You can only be and become what you are, however, there is no limit to what we can improve in ourselves when we recognize the truth and beauty of life and seek to reach the next level of Christian maturity.

(Notas del Párroco, de la pagina 1)

Cuando la gente dice, "debes aceptarme como soy", ¿eso significa que debemos aceptar lo que la mayoría de nosotros encontraría molesto o intolerable? Adaptarse a nuestro entorno es fundamental para la supervivencia, pero debe existir una estrategia razonable para lograr el objetivo y trascender cualquier obstáculo que nos impida. A diferencia del gancho que mantiene al jugador en tensión con la derrota y el potencial de ganar, en la vida, queremos elevarnos y alcanzar el siguiente nivel.

Mientras estábamos en el seminario, cada uno de nosotros se volvió más consciente de la vida interior. El examen regular de conciencia es esencial para la vida comunitaria porque los pensamientos importan y pueden afectar nuestras acciones. A menudo nos desafiaban a revisar nuestras fortalezas y debilidades, y nuestros profesores nos instruyeron sobre cómo podemos capitalizar nuestras fortalezas y trabajar para refinar las áreas que más queríamos mejorar. Nos enseñaron que podemos superar la debilidad gradualmente al reconocer que la mejora solo es posible reconociendo lo que muchos de nosotros tenemos más miedo de enfrentar. El cambio deseado se produce poco a poco y poco a poco nos damos cuenta de un nuevo nivel de madurez.

Las mejoras de la vida son graduales. Pueden llevarnos a una mayor paz interior mediante nuestro dominio sobre la debilidad, lo que resulta en una sensación de autoconfianza permanente. Solo puede ser y convertirse en lo que es, sin embargo, no hay límite para lo que podemos mejorar en nosotros mismos cuando reconocemos la verdad y la belleza de la vida y buscamos alcanzar el siguiente nivel de madurez cristiana.

Message from the Principal

Dear Parishioners, Welcome back! It is exciting that the parish is open and families are together celebrating Mass, as we get to know our new Pastor, Fr. Rick Rodoni.

Our students are happy to be on campus working with their teachers, and our teachers are excited to be back in their classrooms celebrating learning with their students. The faculty, staff and students are keeping safe by carefully following the Covid-19 protocols established by the county and the Diocesan Superintendent.

Our students are also enjoying the newly renovated restrooms! Students and faculty have six new restrooms! I would like to take this opportunity to thank all those who gave to the Parish Capital Campaign. It is fantastic to have new, clean restrooms for our students to use. Your generosity is greatly appreciated.

As we enter into the fall season, our campus is busier than ever. We have been in school for a month and Parent-Teacher Conferences begin on Oct. 13th. Talking with parents and learning more about their children, helps teachers teach the whole child. It is a wonderful time to partner with parents to celebrate successes and discuss areas of growth, and better understand each student's challenges. October also brings the beginning of admission season. A time when families inquire, tour and begin the application process to attend St. Lucy School. We are very excited to share our programs, community life and our school story with new families.

Throughout the fall, students enjoy all the season has to offer making special art projects. Excitement brews as children choose their costumes and wait impatiently for Halloween parties, parades and trick or treating. October is a fun month!

God Bless You, Sue Grover
