

2015 St. Lucy Parish Annual Survey Results –

On the Weekend of September 12/13 St. Lucy Parish conducted its Annual Survey. The Survey was conducted in English and Spanish and contained 6 statements. Parishioners were asked to grade their responses to each statement within a range from 1 (Strongly Disagree) to 5 (Strongly Agree).

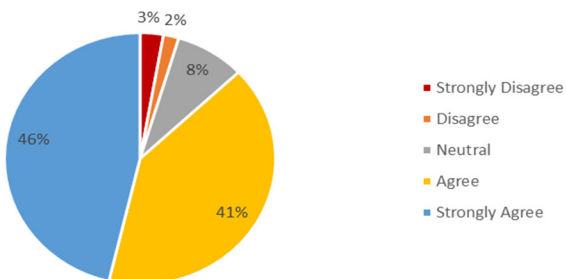

Overall, we had a strong positive response with 80% Agree/Strongly Agree, 14% Neutral, and 7% Disagree/Strongly Disagree. Most are happy, but we have room for improvement.

Many thanks to all that took the time to complete the survey. Any comments will be shared with the Pastoral Council and the appropriate Commission. We will use your input in setting goals for the coming year.
