IMPORTANT FIRST AID MESSAGE TO YOUTH PASTORS & PARENTS!!

We are experiencing an increase in the number of medications and treatments needed by youth while attending camp. Children with special medical needs include conditions which require special medical or health attention or care while the participant is at camp such as asthma, epilepsy, insulin dependant diabetics, cancer, cystic fibrosis, or any other physically disabling condition. Please be advised that prior to sending children with special medical needs to camp, parents must do the following:

1.	Please check if your child has	any of the following:	
	☐ Chronic Asthma	☐ Bleeding/Clotting Disorders	☐ Cardiac Problems
	☐ Diabetes	☐ Emotional Handicap	☐ Epilepsy
	☐ Nervous Disorder	☐ Physical Handicaps	☐ Seizure Disorder
	Requires An Injection	Of Any Kind	

If you checked any of the above boxes, please fill out the **Special Medical Needs Procedure Authorization Form** along with the **Youth Registration & Medical Consent Form**. If no box is checked only the **Youth Registration & Medical Consent Form** is required.

- 2. Send all prescription meds in original containers. We can **only** administer the med <u>as the bottle reads</u>, so make necessary adjustments with your pharmacy before camp. Over the counter meds must also come in original container. **DO NOT SEND MEDS IN PILL BOXES OR BAGGIES AS WE CANNOT LEGALLY DISPENSE IN THIS MANNER.**
- 3. Please do not send up pre-drawn syringes of medication. <u>If your child requires injectable meds of any kind</u> you will need to send the original vial of medication, syringes, and written M.D. orders on the enclosed <u>Special Medical Needs Form for your child to attend camp</u>. If your child gives his/her own injectable meds (such as insulin) we need only your statement of consent with your signature on the parent portion of the Special Medical needs form. With your consent, your child will be monitored by the First Aid staff.
- 4. If your child is a type I Diabetic you must send the following items for your child to attend camp:
 - 1. Glucometer / Strips / lancets
 - 2. Glucagon Pen (*No exceptions)
 - 3. Insulin / syringes
 - 4. Glucogel or Glucose tabs
 - 5. M.D. orders on Special Needs Form / Signature
 - 6. Parent's written consent if child to self administer / signature on Special Medical Needs Form.
 - We recommend a "fanny pack" be worn by your child with needed supplies at all times while attending camp.
- 5. If your child has asthma and uses a nebulizer in addition to an inhaler, please send the nebulizer, medication & dilutant to camp. Asthma is easily triggered by the activities at camp.
- 6. If your child has severe allergies and uses an epi-pen, we will need Special Medical Needs form with signatures from child's MD and parent.
- 7. We do not give allergy or growth hormone injections at camp.
- 8. If your child requires any special medical treatment to attend camp, the Special Medical Needs form will need to be completed and signed by you & your child's MD. In addition, please call the camp @ (909)389-2300 and ask for the First Aid Coordinator to insure we can meet the needs of your child **BEFORE** sending them to camp.

YOUTH REGISTRATION & MEDICAL CONSENT FORM

In accordance with the American Camping Association and the Laws of the State of California, we must have a Health History/Medical Consent Form completed and signed by the parent or legal guardian for each camper under age 18 attending Forest Home. Your camper cannot begin the program unless this form is completed and the required signatures are provided. Please be aware that Forest Home does NOT provide medical or hospital Insurance coverage.

1. REQUEST FOR PERMISSION

I recognize that Forest Home because of its terrain, altitude and program involvement, is not designed to accommodate and may not provide a safe camp experience for those with special needs.

While I (an adult) or my child have what might be considered a special need or disability, I believe the special need is such that it warrants special permission to attend a Forest Home Conference. The following information is therefore offered to substantiate my request for such permission. (Please provide as complete information as possible.)

2. ACKNOWLEDGEMENT AND ASSUMPTION OF RISKS INVOLVED

I have personally inspected Forest Home or, waived my right to do so and realize the risks involved in participation in camp activities. I realize that Forest Home is not generally advised for use by those with special needs or the disabled, that there are risks and dangers involved in such activities and that unanticipated and unexpected dangers may arise during such activities. I am aware that although Forest Home employs first aid providers for weekend and summer conferences, that Advanced Life Support teams, should they be needed, are up to twenty minutes away from Forest Home property. I am willing to assume said risk of injury and/or complication of existing medical conditions to my person, my property, (or those of my child) that may be sustained on the occasion of the camp experience I (or my child) shall attend.
