Where in the World is St. Lucy (Santa Lucia)?

As we contemplate our stewardship commitment this month, we can take as an example the legend of our patron saint, Lucy (a.k.a. Santa Lucia). This 3rd century Christian dedicated her life to serving others, gave away her dowry and, according to legend, brought food to the starving in Italy and Sweden during the famines of the Middle Ages. She's often depicted as carrying an oil lamp or wearing a crown of candles to light her way in the dark as she made her rounds to deliver food and supplies to the poor and homebound. She is an example how we can use our time, talents, and treasure to carry the light of Christ to others in their time of need.

Parish Picnic

The 2nd Annual Parish Picnic was attended by over 300 parishioners. The food was wonderful! The games were lots of fun! (Fr. Steve got a bit wet during the water balloon toss!) The little ones really enjoyed the bubbles and the hula hoops. Old friends had time to catch up and many found new friends they enjoyed getting to know!

Many thanks to our sponsors and to the hands that prepared the food. Lots of volunteers made the event possible! A special thanks to Jessica Dowling and her planning team!!! We're already looking forward to Parish Picnic v3.
