St. Lucy Ministries - Usher and Greeter Ministry: Luis Urias

Why did you choose the Usher/Greeter ministry? I chose this ministry because I was lifted by the hospitality of the individuals already in this role.

Why do you keep doing it? For the fulfillment that one receives when you see the assembly receiving the full love and presence of Christ. Serving in this ministry provides a form and feeling of knowing that you are serving at your parish, giving something back to your community and at the same time, making your own contribution towards building the Kingdom of God.

Why would you recommend it to a friend? This is a highly rewarding ministry that requires only a few minutes before and after Mass.

If you have ever considered becoming an Usher or Greeter, we can use your help. Please contact Luis Urias at luis.urias@sbcglobal.net .
