## A Note from our Pastor

Father Mark Arnzen  

Why pray the rosary? There are many reasons, Fr. Donald H. Calloway, MIC, in his booklet "How to Pray the Rosary" gives us this as one of the many reasons, "the rosary is an evangelical tool that brings the light of Christ into all situations." (p 11) So the question may be deeper than, Why pray the rosary? and becomes quite clearly..."Who wouldn't want Christ in all parts of my life?"

This weekend at St. Lucy Parish, we will, through the generosity of some parishioners, be making available Fr. Calloway's booklet as well as several age appropriate pamphlets on praying the rosary both as an individual devotion but also as a family prayer seeking the unity and love of God blessing "into all situations" of our lives.

Why do I pray the rosary? There are many reason but let me go through several steps...

Feast of the Transfiguration of the Lord

### Gospel Matthew 17:1-9

Jesus took Peter, James, and his brother, John, and led them up a high mountain by themselves. And he was transfigured before them; his face shone like the sun and his clothes became white as light. And behold, Moses and Elijah appeared to them, conversing with him.

### Call to Action: Service opportunity

**I was hungry and you gave me to eat. Matthew 25:35**

Have you ever felt the joy of giving help to someone in need?

We in the Safe Park Ministry would like to invite you and your friends to feel that joy.

What does that entail you ask? What is Safe Park? Is there another way I could be involved? Safe Park is exactly that, it is a parking lot behind St. Lucy's where our homeless sisters and brothers can park their cars over night to be able to

is a parking lot behind St. Lucy's where our homeless sisters and brothers can park their cars over night to be able to sleep in them without fear. There are a number of these in Santa Clara County. St. Lucy's has 16 cars and 21 guests this is a full site.

Once every other week we have someone or some organization, (ministry) prepare the food for our guest and celebrate the meal with them.

- One way to help is by hosting a dinner at St. Lucy's Safe Park in Campbell. You would organize the planning of a meal that consists of a salad, main entree, veggies, beverage and a dessert for a pre-registered quantity.
- A second way you could help is by checking in the guests into Safe Park in the evenings between 7:30-9:30 Monday-Friday this is something that can be done one time and will let you feel good for a week!

Think about it, pray about it, and consider it. As Isaiah

58:10 states, "If you give some of your own food to (feed) those who are hungry and to satisfy (the needs of) those who are humble then your light will rise in the darkness. Let your light shine!"
