As you step into a new year, you have a meaningful opportunity to reflect on how you care for the people God has entrusted to you. By creating or updating your will, you ensure that your loved ones are protected and that your wishes are carried out with clarity and compassion.

While nearly 67% of adults do not have a legally valid or up-to-date will, you can take an important step of stewardship. We hope every member of our parish family will make this simple but essential act of love and responsibility.

*Saint Lucy Parish is offering **FreeWill**, a free and secure tool from the Diocese of San José that guides you through this process in just 20 minutes. Some parishioners choose to include a gift to support their parish, but this step is entirely optional. What matters most is creating a plan that reflects your love, your values, and your faith.*

St. Lucy Parish School News Noticias de la Escuela de Santa Lucia

Message from the Principal

Dear Parishioners,

Our campus is once again filled with conversation, laughter and joy as we return from Christmas break and begin the new year, grateful for the many blessings that lie ahead for our students, families, and faculty.

Students were eager to return to their school routines and reconnect with friends. Teachers have introduced new concepts and are nurturing the growth of each child, recognizing that this time of year often brings great progress. We are thankful for the dedication of our faculty and their commitment to educating the whole child.

Our eighth-grade students submitted their high school applications in mid-December to Archbishop Mitty, Bellarmine, Presentation, Notre Dame, St. Francis, and/or Valley Christian High School, and completed the High School Placement Test (HSPT) this weekend. This season is both exciting and understandably filled with anticipation as students await acceptance letters in March. We ask that you please keep our eighth graders and their families in your prayers as they discern the next step in their educational journey.

We are proud of our students! They are growing in great strides, achieving their goals and building character through living their faith and serving others. I invite you to come explore our campus, meet our students and parents, and learn about becoming a Lightning family. Please join me in the Art Studio on January 25th following the 9:00 a.m. Mass.

Our parent community is also working diligently in preparation for our Gala in March. This special evening brings together current families, student and parent alumni, parishioners and members of our greater community to support the mission of our school. Through the generosity of our community, we are able to strengthen our programs, enhance our curriculum, and provide financial assistance to families in need. Bids are placed and paddles are raised all in support of our students. We invite you to join us for this memorable evening—scan the QR code for evening details.

Blessings,

Sue Grover
Principal
