The mission of Saint Lucy Parish is to lead people to a transformative relationship with Jesus Christ and the Catholic Church. We live our faith by welcoming and serving.

La misión de la Parroquia de Santa Lucía es guiar a la comunidad a una relación transformadora con Jesucristo y la Iglesia Católica. Vivimos nuestra fe en el servicio y al dar la bienvenida.

Discerning Significance

When you think about it, very few people can claim a place in the historical record that will endure. In seminary, we learned that the ancient Greeks sought immortality through their pursuits of becoming famous playwrights, philosophers, or nobles. For most others in the ancient world, a sense of immortality came through progeny. Like the many who have lived and died throughout human history, most of us will not be honored or remembered for having some prominent place in the course of history or memorialized in stone or iron in our town squares. Progeny still seems the most enduring possibility for many, though today we are living longer and often healthier lives than most people did in ancient Greece, so you never know. Did Leo the 14th ever imagine he'd be Pope?

(Continued on page 4...)

Discerniendo la Importancia

Si lo pensamos, muy pocas personas pueden reclamar un lugar perdurable en el registro histórico. En el seminario, aprendimos que los antiguos griegos buscaban la inmortalidad a través de su afán por convertirse en dramaturgos, filósofos o nobles famosos. Para la mayoría de los demás en el mundo antiguo, la inmortalidad provenía de la descendencia. Al igual que muchos que han vivido y muerto a lo largo de la historia, la mayoría de nosotros no seremos honrados ni recordados por ocupar un lugar destacado en el curso de la historia ni seremos conmemorados en piedra o hierro en las plazas de nuestras ciudades. La descendencia sigue pareciendo la posibilidad más perdurable para muchos, aunque hoy en día vivimos vidas más largas y, a menudo, más saludables que la mayoría de las personas en la antigua Grecia, así que nunca se sabe. ¿Acaso León XIV imaginó alguna vez que sería Papa?

(Continued form page 1)

Documents from antiquity are filled with the names of renowned figures. Even the Gospel of Luke describes the historical and political context into which Jesus was born. Names like Herod and Pontius Pilate are memorable because of the Gospels. Imperial records might paint these political figures in a positive light, but the Gospels portray them in opposition to the message Jesus preached. Though Jesus did not necessarily view them as personal adversaries, they became adversarial toward him.

At its core, Jesus' message put him at odds with the prevailing powers of his time. Many did not listen because his message was crafted for the lowly. The irony here is that those who heard Jesus' message found their true worth. It gave the immigrant dignity in foreign lands, favored the humble over the proud, offered comfort to the stranger, stood with the disenfranchised, and brought the marginalized to the center. Though it was meant for everyone, it especially resonated with those predisposed to receive it. It resonates with people who understand the path of discipleship.

When we embrace the path of discipleship in Jesus, we find our significance beyond ourselves—in the transcendent, in the transformational, in the hearts of others, and in the community we form through the Church. When we let go of selfishness, we begin to notice others in need and can discover solutions together. If you long to do something significant, start with the people around you. Collaborate on a project that helps others find their own sense of meaning.

Seeing significance in one another is vital. It builds confidence and draws us together in service. We may never be immortalized in the history books, but in our discipleship, we find lasting significance in Christ and in the love we share with one another.

(Continuación de la pagina 1)

Los documentos de la antigüedad están llenos de nombres de figuras célebres. Incluso el Evangelio de Lucas describe el contexto histórico y político en el que nació Jesús. Nombres como Herodes y Poncio Pilato son memorables gracias a los Evangelios. Los registros imperiales podrían presentar a estas figuras políticas de forma positiva, pero los Evangelios las presentan en oposición al mensaje que Jesús predicó. Aunque Jesús no las consideraba necesariamente adversarios personales, se convirtieron en adversarios suyos.

En esencia, el mensaje de Jesús lo enfrentó a los poderes imperantes de su época. Muchos no lo escucharon porque su mensaje estaba dirigido a los humildes. La ironía es que quienes escucharon el mensaje de Jesús encontraron su verdadero valor. Dio dignidad al inmigrante en tierras extranjeras, favoreció al humilde sobre el orgulloso, ofreció consuelo al extranjero, apoyó a los marginados y puso a los marginados en el centro. Aunque estaba destinado a todos, resonó especialmente con aquellos predispuestos a recibirlo. Resuena con quienes comprenden el camino del discipulado.

Cuando abrazamos el camino del discipulado en Jesús, encontramos nuestra importancia más allá de nosotros mismos: en lo trascendente, en lo transformador, en el corazón de los demás y en la comunidad que formamos a través de la Iglesia. Cuando dejamos atrás el egoísmo, comenzamos a percibir a otros necesitados y podemos encontrar soluciones juntos. Si anhelas hacer algo significativo, empieza por quienes te rodean. Colabora en un proyecto que ayude a otros a encontrar su propio sentido de vida.

Ver la importancia en los demás es vital. Nos da confianza y nos une en el servicio. Quizás nunca seamos inmortalizados en la historia, pero en nuestro discipulado encontramos un significado perdurable en Cristo y en el amor que compartimos.
